**Subject: Cardiovascular Care – Educational CME Credit Opportunity**

**Summary:** AmeriHealth Caritas Louisiana is pleased to announce, "Closing the Gap: Delivering Culturally Competent Cardiovascular Care" on-demand webinar is now available on-line.

If you were unable to attend the live webinar on the delivery of culturally competent cardiovascular care in February, we are pleased to announce the webinar and electronic tool kit are now available on-line at AmeriHealth Caritas Louisiana.

This webinar is designed to help your practice meet the challenges of providing appropriate care based on an individual patient's cultural, linguistic, educational, and socioeconomic needs. The webinar offers practical advice on providing culturally appropriate interventions as they relate to cardiovascular disease.

Topics include:

- Assessment of Cardiovascular Risk
- Improving Patient Outcomes Using 2015 Cholesterol Guidelines
- Lifestyle /Self-Management support
- Overweight and Obesity
- Treatment of Blood Cholesterol to Reduce Atherosclerotic Cardiovascular Risk in Adults

Participation and completion of the post-session evaluation earns one CME credit. Visit AmeriHealth Caritas Louisiana to learn more and for access to the electronic tool kit which includes comprehensive tools and resources.

Thank you for your continued support and commitment to the care of our members. If you have questions about this communication, please contact your Provider Network Management Account Executive or the Provider Services department at 1-888-922-0007.
