Subject: Updated Applied Behavior Analysis (ABA) Codes

Summary: Important information regarding the 2019 Applied Behavioral Analysis Services

AmeriHealth Caritas Louisiana has updated its procedure code file to comply with the Louisiana Department of Health's (LDH) Health Plan Advisory (HPA) 18-23. In addition, AmeriHealth Caritas Louisiana is in the process of updating its system with the new ABA code additions and deletions. Providers should submit claims for the appropriate CPT code to preserve timely filing.

Effective with dates of service **January 1, 2019 and after**, claims submitted with terminated codes will deny "Z98." Your remit will display "Z98 - Not covered by Medicaid." Providers will need to resubmit these claims with the correct 2019 procedure code.
