AmeriHealth Caritas Louisiana invites you to attend an upcoming provider training webinar on the NaviNet Provider Data Information Form (PDIF) and the LDH Patient Acceptance Form.

PDIF can help reduce the need to send written correspondence and minimize time spent calling the Provider Services department with practice data updates. Learn how to:

- Login to NaviNet.
- Access the PDIF and LDH Patient Acceptance Form.
- Review and attest to existing provider information.
- Make and submit provider information updates.

The webinar will take place on:
