Subject: AmeriHealth Caritas Louisiana's New Solution for Online Prior Authorizations

Summary: Effective **April 17, 2022**, AmeriHealth Caritas Louisiana is implementing a new system for providers to submit prior authorization requests for medical and behavioral health services.

What's new?

AmeriHealth Caritas Louisiana has worked with NantHealth | NaviNet to bring you, **Open Authorizations**, a robust, intuitive, and streamlined online authorizations workflow.

In addition to submitting and inquiring on existing authorizations, you will also be able to:

- Verify if **No Authorization is Required**
- Receive **Auto Approvals**, in some circumstances
- Submit **Amended Authorization**
- **Attach supplemental documentation**
- Sign up for **in-app status change notifications** directly from the health plan
- Access a **multi-payer Authorization log**

Want to learn more about Open Authorizations? **Video tutorials** and **step-by-step instructions** will be available via the NantHealth Help Center.

Will training be offered?

AmeriHealth Caritas Louisiana will offer training on the new system. Provider Network Management Account Executives will contact providers with training dates and times.
