Subject: Informational Bulletin 22-12: Remote Patient Monitoring Policy

Informational Bulletins that summarize policies and/or procedures are intended for quick reference and are accurate on the date they are issued.

Remote patient monitoring is the use of medical devices to measure and transmit health data from a member to a provider, who can then analyze the data to make treatment recommendations.

Effective **May 19, 2022**, AmeriHealth Caritas Louisiana covers Remote Patient Monitoring Coverage is available for pregnant members for the management of hypertension and diabetes when ordered by the patient's provider.

This information will be updated in the [AmeriHealth Caritas Louisiana Provider Handbook](#) no later than May 15, 2022.

Questions regarding this message should be directed to AmeriHealth Caritas Louisiana Provider Services at 1-888-922-0007. The Provider Services Department can be reached between 7:00 am – 7:00 pm daily.
