Subject: New Telehealth Place of Service Code

Summary: Louisiana Department of Health (LDH) has approved a new Telehealth Place of Service Code effective **January 1, 2022**.

LDH has approved a new place of service code for telehealth services: 10 – “Telehealth Provided in Patient’s Home”. This code may be used for claim dates of service effective **January 1, 2022**. Please note, the new place of service code 10 does not replace the current place of service code 02 – “Telehealth Provided Other than in Patient’s Home”, which is still valid for use.

When billing place of service code 10, please remember to append modifier 95 to the procedure code.

What do you need to do?

Providers who have billed with the new place of service code previously are not required to resubmit claims. Impacted claims will be reprocessed automatically no later than **June 30, 2022**.
