Informational Bulletins that summarize policies and/or procedures are intended for quick reference and are accurate on the date they are issued.

Midwifery Services Reimbursement Rate Update

Effective **August 1, 2023**, Louisiana Medicaid updated the reimbursement rates for midwifery services (licensed midwives and certified nurse midwives). The Medicaid procedure file has been updated to reflect this change, and the Fee-for-Service (FFS) fee schedule will be updated on the Louisiana Medicaid website, www.lamedicaid.com.

AmeriHealth Caritas Louisiana will update our procedure file to reflect the new rates by **August 13, 2023**.

What do you need to do?

Providers do not need to take action. AmeriHealth Caritas Louisiana will recycle any claims that were not paid in accordance with reimbursement rates for midwifery services within 15 days of the procedure file update.
