## **What you need to know:**

AmeriHealth Caritas Louisiana's Quality Management Department created a Cancer Screening Provider Toolkit as a resource for providers. The toolkit covers facts, screening guidelines, tips for increasing screening rates, and coding/charting recommendations for breast, cervical, and colorectal cancer. The toolkit is designed to give valuable information on cancer screening, so you can focus on providing the best care to your patients.

**Questions:** Thank you for your continued support and commitment to the care of our members. If you have questions about this communication, please get in touch with AmeriHealth Caritas Louisiana Provider Services at 1-888-922-0007 or your [Provider Network Management Account Executive](#).

**Missed an alert?** You can find a complete list of provider alerts on our website's [Provider Newsletters and Updates](#) page.
