## **Additional Third Party Liability Carrier Code Updates**

Effective **January 1, 2024**, the Medicare Advantage carrier previously known as Peoples Health moved to the UnitedHealthcare (UHC) network. All providers are expected to use the UnitedHealthcare tools and processes, including eligibility, benefits, claims and authorizations for dates of service January 1, 2024 **forward**. To align with the merging of Peoples Health to UHC, the carrier name UHC Medicare Advantage (H39210) will change to UHC Medicare Advantage, including Peoples Health (H39210). For all non-Medicare Advantage UHC plans, providers should continue to utilize United Healthcare (433100). Additionally, the below carrier codes will be retired and providers should utilize only H39210 or 433100 moving forward.

For more information, review "[Peoples Health is Moving to UnitedHealthcare Systems](#)" and visit UHC's [Provider Portal](#).

This list will be updated continually and the [carrier code](#) listing will be updated at [LaMedicaid.com](#).
