### **340B Drug Pricing Program**

AmeriHealth Caritas Louisiana would like to inform you that the Louisiana Department of Health has revised the 340B Drug Pricing Program.

The revisions are underlined and the deleted text indicated by strikethrough.

#### **5.1 Carve-In**

##### **5.1.1.2 Medical Claims Submitted by a 340B Covered Entity**

The use of modifier codes will be required on **all** medical claims submitted by a 340B covered entity:

- **JG TB**: Drug or biological acquired **with** the 340B drug pricing program discount for Medicare Part B drugs for dual-eligible members.

If an appropriate modifier is not entered, the claim will deny.

As stated previously, Louisiana will begin invoicing for rebates on the claim- level on **January 1, 2026**. Intentionally including an incorrect claim level modifier on a claim is improper Medicaid billing and is subject to audit.

For full details, please see [Informational Bulletin 25-27 \(Revised 12.2.2025\)](#).
