**To:** AmeriHealth Caritas Louisiana Providers

**Date:** June 22, 2026

**Subject:** Update to the Louisiana Standardized Credentialing Application

**Summary:** The Louisiana Department of Insurance revises the Louisiana Standardized Credentialing Application

AmeriHealth Caritas Louisiana would like to notify providers that the Louisiana Department of Insurance (LDI) has issued Bulletin 2026-08, announcing updates to the Louisiana Standardized Credentialing Application.

The revised application was developed and approved through collaboration between industry stakeholders and provider representatives to implement amendments and reenactment of Louisiana Revised Statute (La. R.S.) 22:1009(E).

All practitioners are reminded to use the current Louisiana Standardized Credentialing Application or Council for Affordable Quality Healthcare (CAQH) standardized credentialing form, if available for your provider type.

To ensure you are using the most current version, please access the application through the LDI website or the AmeriHealth Caritas Louisiana website. Do not use previously saved or downloaded copies of credentialing forms, as they may be outdated and could delay the processing of your application.

The updated application is available on both the [AmeriHealth Caritas Louisiana website](#) and the Louisiana Department of Insurance website: [Louisiana Standardized Credentialing Application](#)

Thank you for your continued partnership and commitment to providing quality care to Louisiana Medicaid members.
