Subject: Informational Bulletin 21-16: Durable Medical Equipment Manual Pricing Project for Certain HCPCS Codes

Informational Bulletins that summarize policies and/or procedures are intended for quick reference and are accurate on the date they are issued.

AmeriHealth Caritas Louisiana will replace the manual pricing indicator “MP” for certain HCPCS Codes on the DMEPOS fee schedule. The fees will now be publicly displayed.

No action is needed by providers; however, providers should be aware that prior authorizations for these HCPCS codes will be per unit instead of a dollar amount moving forward.

Please review Informational [Bulletin 21-16](#) for full details.
