**Act 151: Legislation to Allow for Exceptions for Limited Criminal Offenses in Medicaid Peer Support**

Act 151 amends R.S. 40:1203.3 to allow some exceptions for peer support specialists working in a behavioral health setting who would otherwise be prohibited from employment because of a prior conviction of certain crimes. This legislation assists with alleviating some of the barriers to employment for peer support specialists in Louisiana.

Act 151 amends R.S. 40:1203.3 to allow limited exceptions to the general prohibition of employing individuals with a positive background check. Peer support specialists who have been convicted of the following crimes may be employed with an LDH licensed behavioral health program when specific conditions are met:

- R.S. 14:38.1 – Mingling of Harmful Substances;
- R.S. 14:67 – Theft; and/or
- Distribution or possession with the intent to distribute controlled dangerous substances as listed in Schedules I through V of the Uniform Controlled Dangerous Substance Act

The following conditions must be met to allow for the exception by an employer:

- No less than three years prior to being hired as a peer support specialist, the person satisfactorily completed his sentence or was lawfully released from confinement, supervision, or probation imposed by a court for the person’s most recent conviction for an offense listed.
