Date: December 10, 2021

Subject: Medicaid Provider Enrollment

Summary: The below message is to encourage Medicaid provider enrollment before the deadline.

If you file claims with Louisiana Medicaid, you must enroll in the new Medicaid Provider Enrollment Portal to continue receiving reimbursement. In fall 2021, Louisiana Medicaid mailed letters to providers about this enrollment requirement. AmeriHealth Caritas Louisiana wants to make sure all of our providers complete enrollment timely so no one misses out on payment for services rendered.

To simplify the enrollment process, we've partnered with Louisiana Medicaid for a provider type enrollment drive from **November 29, 2021** to **February 25, 2022** as shown on the attached calendar. During this time, Louisiana Department of Health (LDH) will share resources, training and answers to commonly asked questions with you. As always, we also are advocating for your concerns, and sharing those directly with Louisiana Medicaid.

Our goal is to have all providers enrolled by the enrollment deadline. Please help us achieve this goal devoting time this week to enroll. If you have any questions or concerns, you can reach out to Louisiana Medicaid.
